A Message from Senior Class Officers

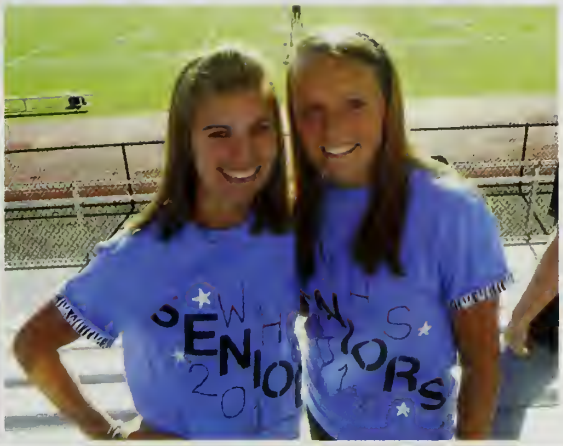
Eileen Murphy, Andrea McDonagh, Kurt Joyce, Kristen Kelly, Brian Tran

Dear Class of 2012,
I want to thank you all for being such amazing people these past four years. Together as a class we have all grown, laughed, battled hard times, and have become a family. Each and every one of you is such an inspiration in your own way! It has been such an honor being able to have led you all throughout our high school years and I am so grateful that you have entrusted me with those responsibilities. You have all helped me become the person I am today. I am proud to say that I am a member of 2012 with each and every one of you and I wish you all the best in the future.
Thanks for everything,
Your President, Kurt Joyce

The past four years at Weymouth High School have greatly shaped who I am as a person. As Vice President, I have been priveleged to learn about leadership through working with my class, the Class of 2012. In our class I see a world of oppurtunity and I am proud to call myself a part of it. As we part ways and begin the next chapter of our lives, I wish you all the best of luck and thank you all for making my high school experience as amazing as it has been.
Eileen Murphy, Class Vice President

Being selected as class secretary for the past four years has been one of the greatest experiences of my high school career. It has been an honor to be a class officer and have the privelege of working with our class to come together as a whole. I want to thank everyone for making the class of 2012 such a special experience for all of us. Being a part of this has helped me to grow as a person and I will never forget all of the memories the class of 2012 has given me. Moving forward, I will take this wonderful experience with me, and I wish the best for each and every one of you in the future.
Kristin Kelly, Class Secretary

As a candidate for the position of 2012 Class Treasurer, I knew it required an extensive amount of commitment and dedication. I accepted the challenge knowing the inevitable time that is necessary for the role. But these minute obstacles did not have an equivalent value to the goals I intended to pursue for my fellow classmates. As the 2012 class already having an intangible, enthusiastic and dynamic group of leaders, it was an honor to join the team and aid them with anything I could provide. Despite only being a part of the team for no longer than a year, the teamwork and effort we put towards the journey of creating the most succesful senior year possible for everyone is indescribable. The nerve wrecking speech in front of my fellow classmates was well worth the triumphant outcome to allow me to experience this unparalleled period in my High School career.
Brian Tran, Class Treasurer



Senior {portraits}

After four years at WHS, the class of 2012 is finally graduating. While not one class at Weymouth High School is ever exactly like another, as a class, we all enjoyed countless memories together. Senior Portraits are a mosaic of individuality, created by each person's style and character - but end up a unified whole. We are the Class of 2012.

May you always walk in sunshine
and God's love around you flow.
For the happiness you gave us,
no one will ever know.

It broke our hearts to lose you,
but you did not go alone.
A part of us went with you,
the day God called you home.

A million times we've cried.
If love could only have saved you -
you never would have died.

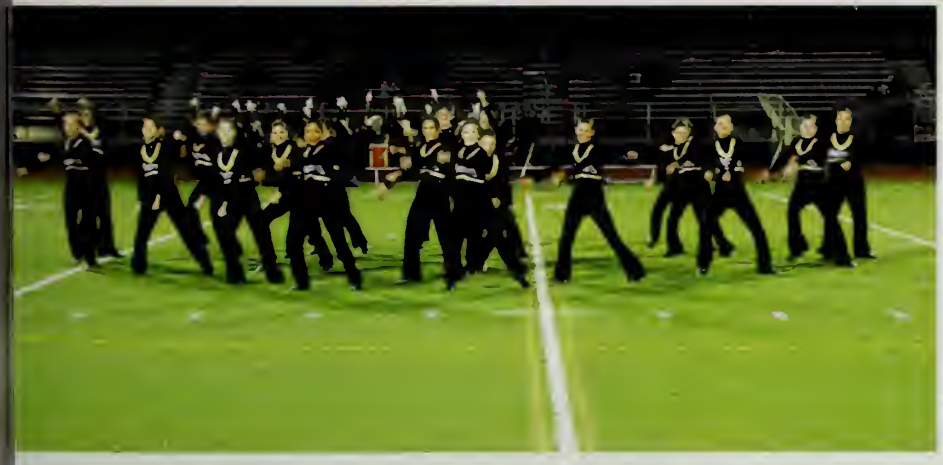
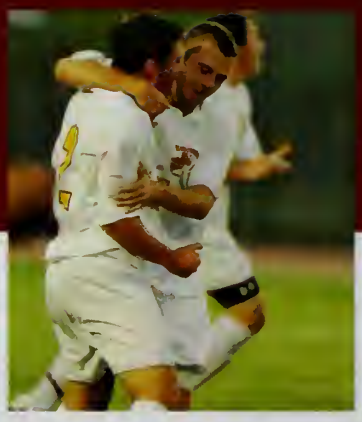
From Rookies to Heroes

There is no experience that compares to that of a sporting event. The sounds of the fans cheering, proudly supporting their fellow Wildcats, presents an electric atmosphere. For the athletes, cheering fans instill a rush of adrenaline that leads their team to victory. Every team devotes themselves to winning, and every team devotes themselves to representing WHS sports.

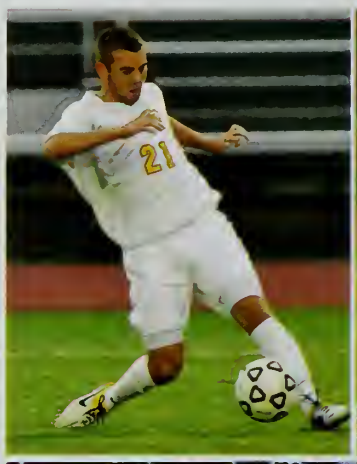




Boys SOCCER

COACH: WILLIAM MCEACHERN

This is an extremely hard-working and talented group of soccer players. Their pride & dedication to the program resulted in a successful season.



We started the season undefeated in the first 7 games (6-0-1) and then fought through a seriesof major injuries during the middle of the year and eventually finished the season with a very respectable 14-4-3 record.

Although we were eliminated from the State tournament in the first round, the season had many bright spots. The seniors Patrick O'Keefe, Matt Bean and T.J. Butler were major contributors to the teams success. Our overall record of 14-4-3 was good enough for 2nd place in the league and a top 20 ranking by the *Boston Globe*.

Girls CROSS COUNTRY

COACH: MIKE MILLER

Winning back-to-back Eastern MA titles this year, we needed a team-first mentality, and we really got that from our incredible senior class. This group will be missed, but their legacy is always going to be about going from having a losing record as freshmen, to winning three league titles, two divisional titles, and an All State Championship. More importantly than that, this group has passed along the importance of hard work and dedication to the sport onto the underclassmen who will carry that tradition.

It was by far the best season WHS girl's hockey has ever had. We made the tournament for the first time in school history. Everyone on the team really stepped up and commited to working hard and focusing on always improving, and their hard work really showed by the end of the season. The seniors also really stepped up and provided the leadership and attitude for the underclassmen to follow. We are proud of what we did, and are looking to build WHS's girls hockey team into a team known around the state.

MARCHING BAND & COLOR GUARD

MARCHING AND CONCERT BAND Every individual's self worth is based on turning potential into accomplishment and that requires a healthy measure of discipline. Band is a metaphor of life because it is a training ground for developing a solid pattern of personal discipline habits. Band is a collection of artistic values clearly defined and ultimately achieved. This process unlocks the power of commitment, puts human will in action, develops a positive attitude, controls negative thinking, encourages success and deters failure.

JAZZ & PERCUSSION CHORUS

COLOR GUARD The Weymouth High School Color Guard has been a crucial part of the Wildcat Marching Band. With the use of flag, rifle, saber, and dance, the color guard adds the visual focus to accompany the talents provided by the band members. **PERCUSSION ENSEMBLE** is in it's eighth year and has participated in NESBA competition for six years. It is a combined ensemble of percussion, visual, dancing, and colorguard performing in thematic settings with the use of elaborate props and visual antics.

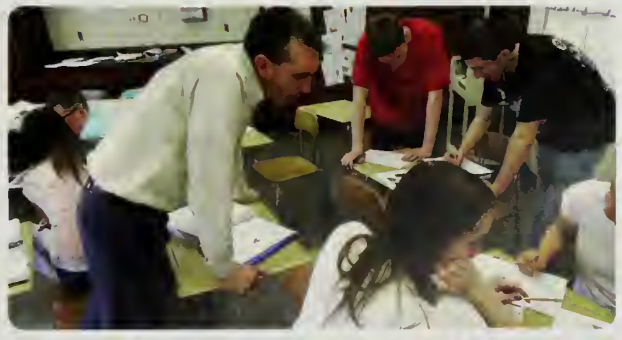
...leaders *of the pack*

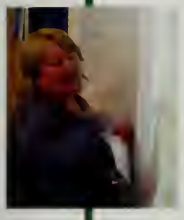
"I once had a kid who when he finally got it started crying tears of joy. It struck me, and I really like the 'I get it' moment."
- Mrs. Joyce

"Every time a student discovers a passion they did not know they had, every time a student walks across the stage at graduation when they were convinced they could not, every time a student makes an insightful comment that makes the whole class think, every time I see a student reach out to another with compassion–these are among my favorite moments and I consider myself lucky to be part of the profession of teaching because they happen so frequently."
- Mr. Pappas

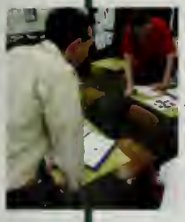


Say MORE?

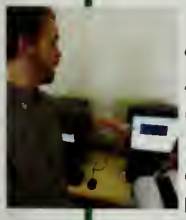
Q. As far as teaching, what has been your favorite experience?
A. In the '80" and '90's, we took about 25 Weymouth High students on French exchange trips. The students had French correspondents who visited our students in March and then we in turn visited them in April.
Mrs. Joyce, Foreign Language Department



Q. What do you like about being a lead teacher?
A. I especially appreciate the fact that I've been able to work with other lead teachers who are extraordinary at what they do. I wouldn't have had that opportunity without being in this position.
Mrs. Petrelli, Science Department

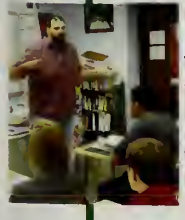


Q. What are some words of wisdom to other students?
A. May you build a ladder to the stars and climb on every rock. Aim for it, but know that you have to work for it as well.
Mr. Galusha, History Department



Q. What are some of your responsibilities as a lead teacher?
A. I am responsible for organizing my department, making recommendations on who teaches what courses, and what the curriculum should look like.
Mr. Wilkins, Math Department

Q. When did you become interested in art?
A. When I discovered that nothing else was as much fun.
Mr. Bunker, Art Department



Q. What would you like to change about your responsibilities?
A. There is nothing I'd change about my responsibilities as lead teacher, but I'm pretty sure free coffee should be part of the deal.
Mr. Pappas, English Department

Kayla & Anthony Matthews

Congratulations! We will never forget the day that we found out we were having twins. From the time you were born you both have given us such hapiness. Even though the two of you are as different as night and day, you never cease to amaze us. We know you both will succeed with whatever goals you are reaching for. We love you both!

Melissa Darling

Melissa, right from the begininng we knew you were going to be a handful. Thru the years you have presented us with many challenges, some good and others not so good but you never cease to amaze us with your academics, atheticism and your personality, we know you will go far in the future and succeed in anything you decide to do. We are so proud of of what you have accomplished so far in life...keep up the good work and stay focused in the years to come at Brandeis. All our love! Mom and Dad
